Inniscarra Festivals May 2010 Results

Sponsored by
O'Callaghans B & B

Switching this years event from the beginning of June to the beginning of May to avoid the spawning season not only provided much larger bags of bream & skimmers, but for the first time saw large bags of quality roach, rudd & hybrids to a 1lb, taken on both the pole & feeder.

This event was won by Barnsley Bait sponsored Co. Leitrim angler Charlie Greaves with a 3 day weight of 136.2.0 lb.

Day 1 - Charlie drew the Graveyard section & caught 49.1.0 lb of hybrids & roach on a 11m to hand pole using double red maggot feeding groundbait with castors.

Day 2 - Water works section - 53.2.0 lb of bream to 2lb fishing a groundbait feeder with worm hookbait.

Day 3 - Rooves Bay section - 35.15.0 lb of rudd, roach & hybrids fishing a groundbait feeder with triple red maggot as bait.
